WHAT IS THE OPEN NETWORK INFRASTRUCTURE ASSOCIATION?

open network
infrastructure
a s s o c i a t i o n

WHAT DO WE DO?

- Underpins The Things Network Switzerland („Trägerverein“)
- Runs a Swiss TTN backend together with SWITCH
- Represents TTN Switzerland at TTN Global
- Organizes events such as #MakeZurich and workshops
- Lobbies for free and open decentralized network infrastructure in Switzerland (→ more members, more influence!)

RECIPIENT OF THE DINACON OPEN INTERNET AWARD 2017
